1. Purpose of policy and guiding principles

- 1.1 This policy outlines the process and procedures to be followed when engaging volunteers.
- 1.2 Volunteers offer their services to the trust on an unpaid basis.
- 1.3 The trust recognises that volunteers enhance the learning opportunities to students by contributing a range of skills and experiences to their academic studies. By volunteering for the trust, individuals gain a range of experiences that can be applied to their own personal or professional development.
- 1.4 Where payment is made for work the trust's employment policies apply, this includes recruitment and selection processes.
- 1.5 Where volunteers are Governors some specific statutory guidance and processes outside this policy apply and this will be co-ordinated by the Clerk to the Governors.

2. Links with other policies or legislation

- 2.1. Trinity Multi Academy Trust will treat all volunteers equally and consistently. The trust's equalities policy applies throughout all that we do.
- 2.2. Due to the nature of our organisation the Child Protection & Safeguarding and Health and Safety policies apply. In addition, all volunteers need to comply with the requirements of Keeping Children Safe in Education (2018).
- 2.3. All volunteers are required to read and sign the Volunteers Agreement.

3. Consultation

- 3.1. Volunteers are not covered by the Trade Union negotiation instrument.

4. Volunteering opportunities

- 4.1. Generally each academy will offer volunteering opportunities where volunteers' skills can be matched to student learning needs. This may include mentoring, coaching or supporting students to develop their aspirations and/or career opportunities. In these cases a member of staff will usually source individuals with the required skills.
- 4.2. Each academy may also agree to requests from members of the community to volunteer and enhance their personal skills. This could include ex-students who want work experience opportunities. In these cases requests are made to each academy. The decision as to whether to agree to a request lies with a Curriculum Leader/Team Manager.
- 4.3. In all cases a volunteer should meet with the Curriculum Leader/Team Manager to discuss the volunteering opportunity, what they will be expected to do, the limits of their involvement and details of who will support and/or supervise them.
- 4.4. As well as tasks; times and days when the volunteer reports for duties should be agreed. Volunteers are not permitted to 'drop in'. A specified length of the opportunity should also be agreed.

5. Requirements of volunteers

- 5.1. Volunteers are required to:
 - complete a personal details form (**Appendix 1**)
 - sign in at Reception when reporting for duty and await collection by a member of staff
 - apply for an Enhanced DBS check, if required
 - be prepared to produce photographic ID on request (when applying for a DBS check and signing in for the first time)
 - read, sign and return the Volunteers Agreement (**Appendix 2**)
- 5.2. The academy will:
 - provide a named supervisor/contact
 - provide Child Protection (CP) Level 1 training
 - provide information on fire evacuation and first aid provision
 - provide any specific Health and Safety training required for completing tasks
 - retain personal records on file
 - where a volunteer is not known to an academy, at least one reference will be sought
- 5.3. Each HR contact will maintain a register of volunteers and will update the Single Central Record (SCR) as necessary in each academy.

6. Supervision and Disclosure and Barring Service (DBS) checks

- 6.1. A DBS check is not needed for all volunteers. A DBS check is only needed when a volunteer has unsupervised access to children and young people or volunteers who work in regulated activity.
- 6.2. The flow chart in **Appendix 3** explains whether a DBS check is required. Generally all volunteers who have unsupervised access to students require a DBS check.
- 6.3. The majority of volunteers in each academy do not have unsupervised access to students, as they are supervised by a member of staff or are shadowing members of staff, therefore they will not require a DBS check. However, each academy does reserve the right to request a check on any volunteer.

7. Other considerations

- 7.1. Insurance - each academy's liability insurance extends to volunteers.
- 7.2. Child Protection - all volunteers will receive Child Protection training. All volunteers will be made aware of their responsibility towards promoting the safeguarding and welfare of children and young people.
- 7.3. Code of conduct - all volunteers will receive a copy of the staff code of conduct. This outlines the expectations for all adults working with our students across the trust.
- 7.4. Allegations against staff - volunteers are covered by this policy. An academy will investigate allegations made about volunteers. All elements of this policy apply, including, if necessary, the requirement to refer individuals to the Disclosure and Barring Service.
- 7.5. Confidentiality - all adults working in, and for, an academy in the trust are bound by a code of confidentiality.
- 7.6. IT accounts - volunteers will not be given an IT account or access to IT systems.
- 7.7. ID Badges - an academy's safeguarding and visitors policy applies and volunteers should wear an ID badge at all times. Where volunteers have been DBS checked they will be issued with a visitors badge, showing that they are recorded on the SCR.
- 7.8. Supervision - all volunteers will work under the supervision of a named person. This member of staff retains the responsibility for students (and/or physical resources) at all times. Volunteers should have, and should follow, clear guidance as to the tasks undertaken and what the expected outcome should be. Volunteers should seek advice from this contact. Any issues or concerns should be reported to this person in the first instance.
- 7.9. Health and Safety - each academy has a suite of H&S policies which are available on request. Volunteers should familiarise themselves with the emergency evacuation procedures and first aid provision. Any H&S training for specific tasks should be provided. Volunteers need to

exercise due care and attention and should not undertake tasks that may harm or damage their health. Any risks or hazards should be reported to their named contact.

7.10. Lunch/catering arrangements - tea and coffee are available in the staff room, and should not be taken out of the staffroom.

7.11. Refusal - each academy reserves the right to refuse, or terminate a volunteering arrangement.
