

Transition Newsletter

Issue 7: **22 June 2020**

Hello and welcome to issue 7 of the Transition Newsletter.

This week we have some incredible French work for you to complete – be ready to sing this song when you start with us in September!

Academy Tours – We will be offering tours of the academy on Tuesday 30 June and Thursday 1 July. Please refer to the email or letter that accompanied this newsletter and contact the academy on 01422 831 011 to book your place.

Thought of the week:

What do I do if I am worried about something?

You can speak to any member of staff in the school about the things that worry you. You will have a form tutor who you will see every day, so this might be the person that you feel most comfortable talking to, or it could be one of your subject teachers, or another member of staff in the school.

Ultimately, you need to know that everyone who works at Trinity Academy Sowerby Bridge is here to listen, support and help you in whatever way we can.

Meet a member of staff

Hello all! I'm Miss Jones, and I'm so excited that you'll be joining us at Trinity Academy Sowerby Bridge in September.

As well as teaching Drama and English, my role at the Academy involves providing students with various opportunities to develop leadership skills. As well as having our prestigious Student Leadership Team, we are expanding our leadership programme. From Environment Leaders to Library Leaders, there'll be plenty of scope to get involved - and what a great opportunity to meet new friends!

I hope you are all staying safe, and look forward to meeting you all in the near future.

Miss Jones

Values at TASB - Respect

The last time we looked at *respect* you were posed with the question: is respect given or earned? Think about someone you have respect for: how did you gain that respect for them? Use this reflection to think about how you want people to think about you. If you want people to respect you, how do you need to act?

Remember these core values are partly about setting you up ready for the world of work.

- Why do you think respect is an important quality in the workplace?
- Ask someone in your household who works about the importance of respect.

INVOLVE - Club of the week!

Welcome to Rugby Club!

At TASB's Rugby Club, we have close connections with Leeds Carnegie Rugby Team and therefore real rugby professionals will come and train you every week! We recently created a TASB Rugby Team and will be competing with other schools in the area from September! Think you could learn how to play and help take us to the top? Sign up for Wednesdays after school!

Miss Bartlett

Subject Challenge

French

Chantez en Français!

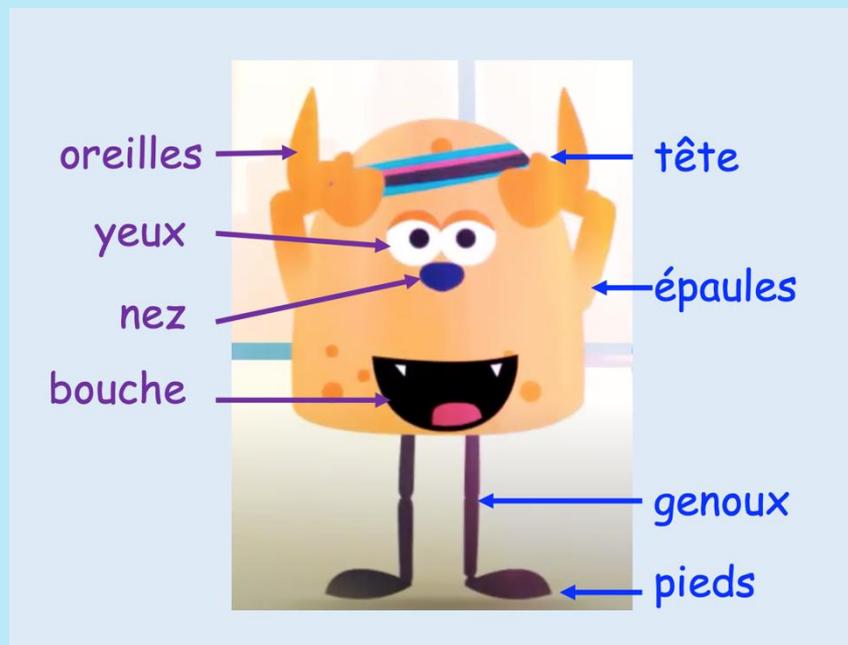

French is one of the subjects you will be studying in Year 7.

There will be a lot of new words for us to learn together! A fun way to learn some vocabulary is by using a song to help you remember new words. This works particularly well when you already know the song in English!

Can you learn the body parts in French by singing along with 'Heads, Shoulders, Knees and Toes'?

Listen carefully to how the words are pronounced in the video. You'll notice some silent letters at the end of the words. We look forward to practising this in class in September! *Bonne chance!*

Information about TASB

What's a Home Academy Agreement?

The Home Academy Agreement is integral to life at Trinity Academy Sowerby Bridge. It sets out what the academy, parents/carers and the students agree together for the good of the whole academy and each individual within it. The partnership between the home and academy is one of the most important influences on the education and personal development of our students. This agreement recognises the need for a strong partnership between the home and academy and seeks to build on it.

A copy of the Home Academy Agreement can be found [here](#).
